Message of Welcome

It is with rare pleasure that the Indiana State School for the Deaf welcomes all who are here for the Central States Tournament. We are proud to be host again to the tournament and hope that every one will make himself perfectly at home while here.

To the visiting teams, coaches and officials we particularly extend our hospitality. We sincerely hope that your stay here will be both pleasant and profitable. If there is any detail which has been overlooked and which would add to your convenience and comfort, please do not hesitate to make it known.

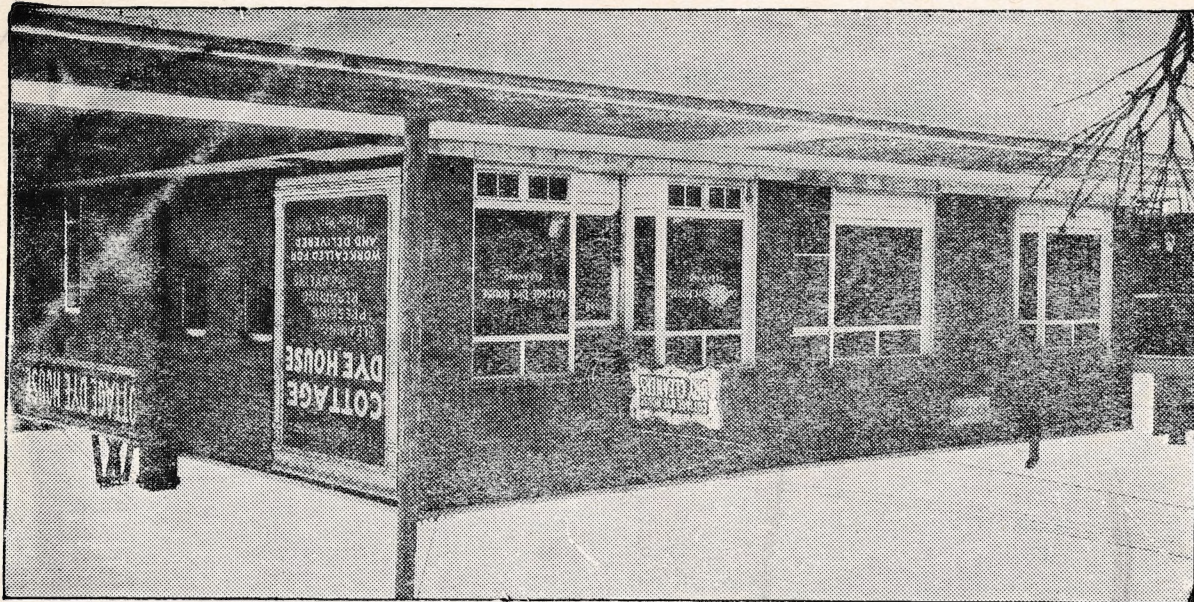

May the spirit of fair play dominate the tourney and may the most deserving team win. We hope that all will have such a pleasant time that you will gladly respond to our invitation, "Come again."

The Trophies

The trophy this year was purchased from funds contributed by the participating schools and is to be awarded permanently to the team winning the greatest number of games. In case of a tie for first place, on number of games won, the winner shall be the team having the greatest percentage of points over all opponents, this percentage to be determined by dividing the team's own total score by the total number of points scored against them. The same method shall be used in determining the ranking of all other ties.

To the runner up the minor trophy will be awarded and the team taking third place will receive the ball used in the tournament. At the close of the tourney the officials shall select the player who in their judgment has displayed the best sportsmanship and mental attitude during the games. He shall receive the sportsmanship trophy which is presented by the Silent Hoosier Athletic Association.

To the spectators

Insofar as possible, please observe the following suggestions:

1. Do not smoke in the buildings.
2. Find your seat before sessions begin. Do not leave your seat while a game is in progress.
3. Be too much of a sportsman to "razz" any official or player.
4. Do not leave until after the trophies are awarded, Saturday night.
5. Do not stick gum under the bleacher seat boards.
6. Use telephones in the building if you need them for business.
7. Write your name on your ticket if you have not already done so.
8. Patronize the advertisers in this program.
9. Report lost or found articles to the secretary's office, main floor.
